HOUSING BUILT FOR RHODE ISLAND'S FUTURE

By 2030, 1 in 4 Rhode Islanders will be seniors...

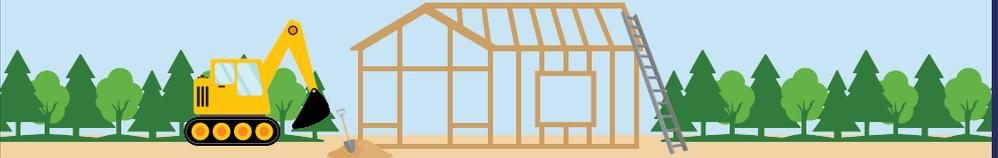

**Rhode Island Office of Healthy Aging*

30% of people 35-65 will become disabled...

**Health Insurance Association of America*

Why not build once and build it right?

HB 7564 & SB 2584 makes this our future

motion-sensor lights

adaptable bathroom

wider doorways

open floor plan

BUILT ONCE, BUILT RIGHT.

Who this applies to:

- ⊗ New housing developments with 4+ units
- ⊗ Housing that receives state funding
- ⊗ Housing built on state-owned land
- ⊗ Housing permitted on or after July 1, 2027

What this would look like:
